**Subject:** Dico Five-Year Review Start

Hylton, The EPA is going to start the sixth Five-Year Review for the Des Moines TCE Site next month. The USACE will be helping EPA to write the document. The public notice of the Five Year Review start should be out in the next few months as well. Please let me know if you have any questions. I will keep you informed of the progress so you can join us at the site inspection if you'd like. Thanks!
